Hi Rick,

8:30 on May 10th is perfect. Would you like for me to reach out to Mike and Marietta?

Thanks very much!

Hi Rick,

Thinking a bit more about a proposed visit, we'd like to have a discussion on the status of isoxaflutole (Bayer's #1 registration priority for this year) and path forward. The current PRIA decision date is Sept. 30th. Suggest including Marietta Echeverria and Mike Goodis, if available. We can also be flexible to meet on either May 9th or 10th, depending on availability for is a 30 minute time slot.

Many thanks.

Hi Rick,

I plan to be in Crystal City Wednesday, May 10th. Do you happen to be available for a brief visit that day? I can be flexible with the time. Bob Graney, head of North America Regulatory Science (my boss) would like to join, as he has not yet had the opportunity to meet you.

Thanks.
